THE OLD WAY COSTS YOU NIGHTS

FIG. 01 – THE PROBLEM

OBSERVED: FIELD

PRIORITY: HIGH

- 01 You walk the site in an hour – then spend the whole evening rebuilding it into a report.
- 02 Photos pile up in the camera roll with no link to where on the plan they were taken.
- 03 The client is waiting – and every day the report slips, so does your credibility.

THREE STEPS, ONE REPORT

FIG. 02 – WORKFLOW

TIME ON-SITE: MINUTES

TIME AT DESK: ZERO

01

PIN IT

Load your floor plan and tap where you are. Numbered pins keep every finding in place.

02

SHOOT IT

Photos are GPS-tagged and grouped under each pin, with notes and severity ratings.

03

SEND IT

Export a polished PDF or Word report on your letterhead – before you leave the parking lot.

BUILT FOR THE FIELD

EVERY WALKTHROUGH

01

CONTRACTORS & SUPERS

Daily logs, punch lists, and progress photos – filed before you leave the site.

02

HOME & BUILDING INSPECTORS

Pre-purchase, commercial, and code inspections with pins on the exact spot.

03

INSURANCE ADJUSTERS

Geotagged damage documentation your claims file can stand behind.

04

PROPERTY MANAGERS

Move-in / move-out condition reports and unit turns, done in one walk.

05

SAFETY & EHS OFFICERS

Hazard walks and compliance audits with photo proof, pinned to the plan.

06

ARCHITECTS & ENGINEERS

Construction-admin site visits and field condition reports, on your letterhead.

07

RESTORATION CONTRACTORS

Water and fire damage, documented before-and-after with GPS-tagged photos.

08

FACILITY & HOA MANAGERS

Maintenance rounds and common-area walkthroughs, reported the same day.

09

LAND SURVEYORS

Boundary walks and site surveys with pins and GPS on every reference point.

10

AUCTIONEERS

Pre-sale condition walkthroughs and asset photos, packaged for the listing file.

HERE'S THE SIMPLE MATH:

If you could save one to five hours a week, what's that time worth to you – what's it worth to your boss, what's it worth to your client? On Basic with 5 reports a month, that's **\$2 a report**. On Premium with 30 reports a month, that's **83 cents a report**. What's an hour of your time worth?

What does that hour cost the company? What does it cost the client? If you had that hour back, what would you do with it?

BASIC

\$9.99 /mo

5 report sends a month. Perfect for occasional inspections.

PREMIUM

\$24.99 /mo

30 report sends a month. The working inspector's plan.

PRO

\$49.99 /mo

Unlimited sends plus the ProCore integration.
